ATIC Point of Contacts for LOT 2: talexeev@ict.md – Tatiana Alexeev, Tekwill in every school” Project Manager, livadari@ict.md – Liuba Livadari, Procurement Manager.

Section 1: Instructions to Offerors

1. Introduction:

The National Association of ICT Companies (ATIC) is looking for an official supplier, eligible and responsible to provide office furniture for Tekwill Balti and the Digital Lab initiative part of “Tekwill in every school program”, as described below in Section 1 (Instruction to Offerors). The given procurement is managed under the ICTEC Project - an official program of the United States Agency for International Development (USAID), Contract Nr. AID-117-A-15-00002, and the EU4Moldova Startup City Cahul financed by EU via Sweden, both carried out in the Republic of Moldova.

For more details, please refer to:

Section 3 – Technical Specifications

Annex 1.1 – detailed design project Tekwill Balti

Annex 1.2 – detailed design project Digital Labs, Tekwill in every school

Annex 1.3 – detailed design project TUM laboratory

Annex 1.4 – detailed design project ASEM laboratory

About ATIC: THE MOLDOVAN ASSOCIATION OF ICT COMPANIES (“ATIC”) is the business Organization uniting 80 companies. Umbrella Organization gathering over 7000 employees.

Being established in 2006, ATIC is the action leading association and the voice of the Moldovan ICT industry that promotes the development of the ICT sector in Republic of

Moldova through viable partnerships between companies, similar organizations, government, state institutions and international organizations. The association was founded to represent the industry on different policy and legislative issues and to facilitate the exchange of best practices between members. ATIC mission is to protect and promote the Association members' interests as well as facilitate a more favorable ICT business climate.

The ICTEC Project (Tekwill) is a USAID program implemented by the National Association of ICT Companies (ATIC). The project will be implemented as a private-public partnership (through Global Development Alliances instrument (GDA)), between the Moldovan Government, private industry, academia and donors. The private partners include multinational companies, IBM and Microsoft, and also Moldovan Association of Private ICT Companies (ATIC) members that are local (operated) ICT companies. The private partners will bring significant new resources, ideas, software, technologies and development activities, such as trainings, practical assignments, and mentorship. The private sector partners will have the chance to use the center to communicate with the university, SMEs, startups, professionals and contribute to the curricula improvement answering the market needs, as well as the improvement of the IT and entrepreneurship ecosystem that will lead to the economic growth of the country. The Government of Moldova supports this project at the highest level of the Prime Minister, and the partners include Ministry of ICT, Ministry of Education, and E-Government Center. The space will be provided by the Technical University, as part of the Government commitment to this project. The e-Government Center will use the center as a training and capacity building resource for the public e-transformation and IT managers.

The EU4Moldova: Startup City Cahul Project financed by EU through Sweden is in line with the Annual Action Programme 2019 in favor of the Republic of Moldova and its Action entitled, based on the Commission Decision ENI/2019/042-243.

The overall objective of the Action is to harness and strengthen the potential of the digital economy and enhance regional competitiveness, its business and its investment environment.

The specific objectives are:

- Foster partnerships for innovation and entrepreneurship between the private sector, public sector and educational institutions in the region of Cahul.
- Promote technology, problem solving and creative solutions in learning and make STEM topics (Science, Technology, Engineering and Mathematics) more attractive for women and men, girls and boys.
- Facilitate the emergence of start-ups in innovative sectors, build their capacity and investment readiness.

About Tekwill Balti

The rapid rise of the IT field in recent years has led us to expand Tekwill into regions and to develop the sector at the national level. As part of Tekwill's expansion commitment - an important project for the development of the Moldovan IT sector, Tekwill is expanding its programs in the north of the country. Therefore, on June 11, 2021, the National Association of ICT Companies signed a Partnership Agreement with the "Alecu Russo" State University in Balti to establish a Tekwill Center on the premises of Innovation and Technology Transfer (further called "CITT") on 976 m2 out of 5000+m2 available in the Center. The partnership involves development of education in the field of IT, training of the workforce, encouraging entrepreneurship, stimulating competitiveness, but also creating a Center of Excellence in IT. "Tekwill Balti" aims to support the expansion of the network of Tekwill centers throughout Moldova by developing educational and entrepreneurial content according to Tekwill

regulations, considering local specifics, to develop the economic region by promoting partnerships between the private sector, academia, citizens, etc., thus creating development opportunities for the inhabitants of Balti, but also for those from the nearby districts. The local human potential will be connected to existing IT companies, in order to create a regional ecosystem and contribute to the country's economic growth.

About Tekwill Satellite Centers Chisinau

Tekwill Satellite Centers will have a long-term effect on the community, educational programs and society, and are required in Chisinau as development ones to sustain the existing Tekwill Riscani related infrastructure.

Thus, it was agreed to develop Data Sciences program within the Universities, including the PowerTech within the Technical University of Moldova (**TUM laboratory - LOT 3**) and the FinTech program within the Academy of Economic Studies (**ASEM laboratory - LOT 4**).

Therefore, Tekwill agreed on the partnership with ASEM, where the last converges financial services and IT. The project is interested to invest into physical space, equipment to support ML/Design and eCommerce curricula being provided mass market, FinTech Acceleration programs, FinTech educational programs, as well as support university professors to upgrade their capacity towards promoting FinTech.

Also, Tekwill Project developed in collaboration with TUM the Power/Energy Hub. The project is interested to invest into physical space, equipment to support ML/Design and PowerTech/Energy curricula.

About “Tekwill in Every School” program

“Tekwill in Every School” aims to transform and digitalize education in the Republic of Moldova, by providing every school in the country the opportunity to access a free eLearning platform, for students aged between 13-19 years to benefit from interactive digital content. The e-courses will allow students to acquire the necessary knowledge and skills required by the future jobs' workplace.

Our mission is to harness Moldova's untapped human capital and to help grow a young and innovative generation of software engineers, IT developers, and creative professionals that will design, here at home, products that will meet social challenges at national and global scale.

About the “Digital Labs” initiative

The Digital Labs initiative aims to cultivate the country's best young tech talent, grow a generation of students capable to meet the requirements of the jobs of the future and empower youth to create solutions and products at home with a positive impact for the community.

The digital labs in schools will provide pupils with a space for studying the jobs of the future courses powered by Tekwill, also these will offer them a space for collaboration, creativity and allow for access to technology for those that don't own a digital device at home.

The selected schools are expected to undergo renovation works within the classroom (digital lab), while the furniture, equipment, guidance and mentorship will be provided by the program's partners and group of experts.

Under the **EU4Moldova Startup City Cahul** initiative, **9 high schools** from Cahul region that are already connected to „Tekwill in every school” program will benefit from fully equipped digital labs.

In partnership with **USAID, Sweden, and UNDP Moldova**, another 10 schools across the country will be able to offer their pupils a new learning environment for studying jobs of the future in a digital lab.

Offerors are responsible for ensuring that their offers are received by ATIC in accordance with the instructions, terms, and conditions described in this RFQ. Failure to comply with the instructions described in this RFQ may lead to the disqualification of an offer.

2. Offer Deadline and Protocol: Offers must be submitted no later than **17:00, local Chisinau time, on September 08, 2021.**

Offers received after the specified time and date will be considered late and will NOT be evaluated by ATIC.

Electronic Submission Only:

The only acceptable submission method is electronic – via email.

Any email offers must be sent to the following address:

to: llivadari@ict.md, Liuba Livadari, Procurement Manager

cc: talexeev@ict.md, Tatiana Alexeev, “Tekwill in every school” Project Manager

cc: svoitovschi@ict.md, Sergiu Voitovschi, Project manager

Offers must be submitted in one package in pdf format files, including the Forms A-F and other mandatory documents required by this solicitation documents – details in Section 3 - Technical Specifications. The Quotation for the requested goods shall follow the FORM F – Quotation Form

All offers must be prepared in one of the 3 languages: English, Romanian or Russian.

3. Questions: Questions regarding the technical or administrative requirements of this RFQ may be submitted no later than 17:00, local Chisinau time on September 6th, 2021, by email to talexeev@ict.md, svoitovschi@ict.md, **cc:** llivadari@ict.md Questions must be submitted in writing; phone calls will not be accepted. Questions and requests for clarification—and the responses thereto—that ATIC believes may be of interest to other offerors will be circulated to all RFQ recipients who have indicated an interest in bidding.

Only the written answers issued by ATIC will be considered official and carry weight in the RFQ process and subsequent evaluation. Any verbal information received from employees of ATIC or any other entity should not be considered as an official response to any questions regarding this RFQ.

4. Specifications: Section 3 contains the technical specifications of the required items. All commodities offered in response to this RFQ must be new and unused.

5. Quotations: Quotations in response to this RFQ must be set on a fixed-price, all-inclusive basis, including delivery, assembly and all other costs required at Section 3. Pricing must be presented in MDL.

Currency of Quotation: Pricing must be presented in MDL (VAT 0% and exempt of customs taxes).

Partial quotations: allowed per LOT

Quotation validity: Offers must remain valid for no less than ninety (90) calendar days after the offer deadline. In exceptional circumstances, ATIC may request Companies to extend the validity of the Quotation beyond what has been initially indicated in this RFQ. The Proposal shall then confirm the extension in writing, without any modification whatsoever on the Quotation.

In addition, offerors responding to this RFQ are requested to submit a copy of their official registration or business license.

Mandatory documents to be submitted: Offerors responding to this RFQ are requested to submit the following documents:

- Application form (FORM A)
- Letter of Transmittal (see FORM B)

Delivery LOT 3: Chisinau, 28 Mitropolit Gavriil Banulescu-Bodoni Street (Faculty of Energy and Electrical Engineering, TUM, Block 2)

Delivery LOT 4: Chisinau, 59 Mitropolit Gavriil Banulescu-Bodoni Street (ASEM, Block B), Republic of Moldova

Expected delivery LOT 1, LOT 2 & LOT 3: not to exceed 45 calendar days from the confirmation of order/contract issue.

Delivery LOT 4 is a priority and should not exceed September 20, 2021.

Faster delivery will be considered as an advantage.

Without limiting any other rights or obligations of the parties hereunder, if the Supplier will be unable to deliver the goods by the delivery date(s) stipulated in the contract, the Supplier shall (a) immediately consult with ATIC to determine the most expeditious means for delivering the goods and (b) use an expedited means of delivery, at the Supplier's cost (unless the delay is due to Force Majeure), if reasonably so requested by ATIC.

7. Packing requirements

Packing of goods should be performed as per standard procedures: it is the responsibility of the selected supplier to ensure that the delivered goods are intact/not tempered with. Damaged items will not be received and should be replaced with a new one of the same specifications.

8. Customs clearance of goods shall be done by the supplier (if applicable).

9. Source/Nationality/Manufacture: The authorized geographic code under this specific agreement is 110. In any case, offerors may not offer or supply any goods or services that are manufactured or assembled in, shipped from, transported through, or otherwise involving any of the following countries: Burma (Myanmar), Cuba, Iran, North Korea, (North) Sudan, Syria.

All goods and services offered in response to this RFP or supplied under any resulting award must meet USAID Geographic Code 935 in accordance with the United States Code of Federal Regulations (CFR), 22 CFR §228, available at: <http://www.gpo.gov/fdsys/pkg/CFR-2012-title22-vol1/pdf/CFR-2012-title22-vol1-part228.pdf>.

10. Warranty: The warranty coverage must be valid on all goods/services/works for a minimum of one year after delivery/execution and acceptance of the services/works, unless otherwise specified in the technical specifications (Section 3). The full warranty shall include maintenance, troubleshooting and repair including provision of spare parts.

Aftersales services required:

The defective and/or damaged items shall be repaired or replaced at supplier’s cost within one years after delivery and acceptance of items by ATIC.

11. Taxes and VAT: The agreement under which this procurement is financed does not permit the financing of any taxes, VAT, tariffs, duties, or other levies imposed by any laws in effect in the Cooperating Country. No such Cooperating Country taxes, VAT, charges, tariffs, duties or levies will be paid under an order resulting from this RFQ. In the event that any exempt charges are paid by the Subcontractor, they will not be reimbursed to the Subcontractor by ATIC. The Subcontractor shall immediately notify ATIC if any such taxes are assessed against the Subcontractor or its subcontractors/suppliers at any tier. The Subcontractor is responsible for payment of all applicable taxes, as prescribed under the applicable laws, associated with wages/salaries/compensation for services rendered by individuals employed by the Subcontractor and who are directed to work as required under this Subcontract. The Subcontractor is liable for payment of all applicable taxes associated with revenues (profit), and other such taxes, fees, or dues for which Subcontractor is normally responsible as a result of operating its business.

12. Eligibility: By submitting an offer in response to this RFQ, the offeror certifies that it and its principal officers are not debarred, suspended, bankrupt, or otherwise considered ineligible for an award.

The offeror shall prove its eligibility and qualification by providing supporting documents to comply with the above:

13. Evaluation and Award: The award will be made to a responsible offeror whose offer follows the RFQ instructions, meets the eligibility requirements, and meets or exceeds the minimum required technical specifications, and is judged to be the best value based on a **lowest-price, technically-acceptable basis**, business experience, the visual aspect of the work to be performed, similar objects in the past and short production and installation terms.

Partial quotations: allowed per LOT

The evaluation committee will analyze all proposals according to the evaluation criteria mentioned in the table below:

	EVALUATION CRITERIA	MAXIMUM OBTAINABLE POINTS	
I.	Technical Evaluation	70 pts	
1	Full compliance of offered goods to the Technical Specifications and required quality standards & detailed technical description of offered goods	15 pts	15 – compliant & full detailed 10 – compliant but partially detailed 0 - not compliant

2	Availability of certificates of quality and origin for the offered goods	10 pts	10 - all certificates sent 0 - some certificates are missing
3	Acceptability of after-sales service capacity and warranty for a period of one year after delivery and acceptance by ATIC	10 pts	10 pts – availability of a service center 0 pts – no service center
4	minimum 3 years of experience in supplying of furniture goods (minimum 2 contracts over the past 3 years)	10 pts	5 pts - 3 years 1 pts for each additional year of experience (5 +1+1+1+1+1)
5	Proposed timeline of delivery	25 pts	25 - less than 45 days (by September 20 for LOT 4) 15 – as requested 5 - more than requested
II.	Financial Offer (Gross amount)	30 pts	minimum offer - 30 pts; Evaluated offer pts = (lowest offer x 30 pts)/evaluated offer
TOTAL SCORE		100 pts	

Please note that if there are significant deficiencies regarding responsiveness to the requirements of this RFQ, an offer may be deemed “non-responsive” and thereby disqualified from consideration. ATIC reserves the right to waive immaterial deficiencies at its discretion.

Best-offer quotations are requested. It is anticipated that award will be made solely on the basis of these original quotations. However, ATIC reserves the right to conduct any of the following:

- ATIC may conduct negotiations with and/or request clarifications from any offeror prior to award.
- While preference will be given to offerors who can address the full technical requirements of this RFQ, **ATIC may issue a partial award or split the award** among various suppliers, if in the best interest of the Project.
- ATIC may cancel this RFQ at any time.

Please note that in submitting a response to this RFQ, the offeror understands that **USAID** or **EU-Sweden** are not party to this solicitation and the offeror agrees that any protest hereunder must be presented - in writing with full explanations - to the ICTEC Project for consideration, as **USAID** or **EU/Sweden** will not consider protests regarding procurements carried out by implementing partners. ATIC, at its sole discretion, will make a final decision on the protest for this procurement.

14. Terms and Conditions: This is a Request for Quotations only. Issuance of this RFQ does not in any way obligate ATIC or the ICTEC Project to make an award or pay for costs incurred by potential offerors in the preparation and submission of an offer.

This solicitation is subject to ATIC’s standard terms and conditions. Any resultant award will be governed by these terms and conditions; a copy of the full terms and conditions is available upon request. Please note that the following terms and conditions will apply:

a)

Payment No.	Installments	Payment Amount
1	In 15 days after signing the contract	30 % of subcontract fixed price
2	In 15 days after delivery of goods	70% of subcontract fixed price

b) Payment will be made in MDL, via wire transfer to the account specified in the Subcontractor's invoice. Payment of unpaid balances will be made upon completion and final acceptance of all works and deliverables by ATIC. Any invoices for services rendered and deliverables submitted - but not accepted by ATIC - will not be paid until the Subcontractor makes sufficient revisions to the deliverables such that ATIC may approve the deliverables and thus the invoice.

c) Payment will only be issued to the entity submitting the offer in response to this RFQ and identified in the resulting award; payment will not be issued to a third party.

d) Any award resulting from this RFQ will be firm fixed price, in the form of a purchase order.

e) *No goods or services may be supplied that are manufactured or assembled in, shipped from, transported through, or otherwise involving any of the following countries: Burma (Myanmar), Cuba, Iran, North Korea, (North) Sudan, Syria.*

f) Any international air or ocean transportation or shipping carried out under any award resulting from this RFQ must take place on U.S.- flag carriers/vessels.

g) United States and EU laws prohibit transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. The supplier under any award resulting from this RFQ must ensure compliance with these laws.

h) Economic resources provided by the EU under this Project shall not be made available to, or for the benefit of, third parties - whether entities, individuals or groups of individuals - designated by the EU as subject to restrictive measures in the lists provided at www.sanctionsmap.eu ("EU Restrictive Measures").

The Cooperation Partner shall cooperate with Sida and/or the Contracting Authority in assessing if the third parties - whether entities, individuals or groups of individuals - identified by the Cooperation Partner as recipients of funds in connection with the implementation of the respective Contribution Agreement fall under the scope of EU Restrictive Measures. In the event that such recipients would fall under the scope of EU Restrictive Measures, the Cooperation Partner shall promptly inform Sida and/or the Contracting Authority.

i) The title to any goods supplied under any award resulting from this RFQ shall pass to ATIC following delivery and acceptance of the goods by ATIC. Risk of loss, injury, or destruction of the goods shall be borne by the offeror until title passes to ATIC.

At any time during the validity of the quotation, ATIC shall not accept any changes in unit prices, due to escalation, inflation, exchange rates fluctuation, or other market factors, after the receipt of the quotation.

At the time of award of the Contract, ATIC reserves the **right to increase or decrease the quantity of services and/or goods, by up to a maximum twenty-five per cent (25%) of the total offer**, without changes in the unit price or other terms and conditions.

Section 2: Offer Checklist

To assist offerors in preparation of proposals, the following checklist summarizes the documentation to include an offer in response to this RFQ: the list of documents as per Section 1, p.5 Mandatory documents to be submitted:

Section 3: Technical Specifications and Requirements

The table below contains the List of the required goods/services. Offerors are requested to provide quotations, including the technical specifications of the furniture items, containing the information below on official letterhead or official quotation format (As per FORM F – Quotation Form).

Item	Minimum technical specifications requirements	Quantity per Donor	Total Quantity	Delivery
LOT 1: Furniture for Tekwill Balti (for more technical details please check Annex 1.1)				
Furniture for reception, kitchen				
Item 1	Reception (Ash plywood, with natural color)	ICTEC	2	45 calendar days from contract signing All items to be delivered to the same location: Balti
Item 2	Kitchen (Polar Aland Pine, gravel gray fixed on the brick wall)		1	
Item 3	Kitchen table (1000x500x1400) Polar Aland Pine		1	
Item 4	Coffee table (450x800x1300) 19mm sanded plywood, Natural Ash		3	
Item 5	Sofa (700x750x1600)		6
